

Arthur Elementary PTA Founders' Award Nomination Form

Every April Arthur PTA recognizes exceptional PTA volunteers. These individuals go above and beyond in their dedication to our students and PTA events. This honor may only be awarded to a person once. The PTA executive board is seeking input from all Arthur parents and staff on who is most deserving of the Founders' Award. The executive board will review all nominations and select the final award winners. (You may nominate as many people as you would like, including yourself!)
